Subject: Representation of erstwhile retired GLU employees for making a note regarding un-released DA installments in their LPCs.

...

This office is in receipt of representation from erstwhile retired GLU employees in which it has been stated that the Corporation has till date released only 45% DA instead of 72% released by the Government so far. They further stated that at the time of their retirement, the Corporation is issuing LPC indicating the DA @ 45% only with the result they are loosing pensionary benefits. Accordingly, they have requested that a note regarding un-released DA installments may be mentioned in the footnote of the LPC at the time of their retirement so that the Forest Department may be in a position to consider release of their pensionary benefits on admissible rate as may be in vogue.

In view of above, all the DDOs are advised that while issuing LPC, in favour of such officials whose services are pensionable, to make a footnote on the LPC to the effect that " _____ %" of DA is admissible to the employee at the time of his retirement but the Corporation has released only _____% as mentioned above in the LPC.
