Instructions to the tenderer:

Before submitting the tender, the tenderer will be deemed to have satisfied himself/herself of lumbering operations by his/her actual inspection of the forests and the area of the work taking into account all conditions liable to be encountered during execution of work. Although SFC has worked out various operations involved as are mentioned in the Annexure to the Tender Document, however, in case the contractor during the course of execution of work plans to change the mode of any activity or its magnitude to his convenience, the same will be done after seeking permission from the competent authority and the contractor shall not raise any claim for additional cost on this account. The quantum of work as indicated in the Annexure to this NIT may increase or decrease to some extent depending upon the actual outturn from the markings.

The Tenders shall be received in the office of **Divisional Manager PP, West Extraction Division Karlipora Budgam** on **08/07/2013 upto 1.00 PM.**

Opening of Tenders:

The Tenders shall be opened on the same day at 2.00 PM in the office premises of Divisional Manager PP. West Extraction Division Budgam Karipora, after receipt of tenders by the Tender Opening Committee as constituted by the Managing Director J&K SFC in presence of tenderers whosever may like to be present.

Intending tenderers shall quote lump sum rates per cft .for stocks duly delivered at SFC Sale Depot, predetermined delivery point/final destination as shown in the Annexure to NIT. Rate offered in %age of the norm rate shall not be accepted. Timber being a perishable commodity is susceptible to deterioration if it is not extracted in a timely manner. Therefore, any delay in the extraction/delivery of timber stocks by the contractor after issuance of work order, results in direct financial loss to SFC and to the state exchequer. As such for timely delivery of stocks, the rate(s) offered by the Tenderer(s) have to be reasonable and workable. Therefore, if the rate(s) offered by a contractor are less than the approved norm rates the tenderer shall have to deposit additional Security/EMD deposit which will be over and above the EMD amount stipulated in Clause-2(a) in the shape of CDR/FDR as per the below given ratio:-

S.NO	Offered rate range below the approved norms	Additional Security/EMD Deposit in the shape of CDR/FDR
	1	2
1	Rate offered less by 5% of the approved norms	Nil
2	5.01% to 10%	At least 3% of contract value.
3	10.01 to 15%	At least 10% of contract value.
4	15.01 to 20%	At least 15% of contract value.
5	Less by 20.01%	Tender shall be summarily Rejected by the TOC.

If the required CDR or FDR shall not be enclosed with the Tender Form, as referred to above, the Tender Opening Committee shall reject the tender on spot.

The bidders are at liberty to enclose additional security deposit higher than the limit indicated in the column 2 of the table above. In case the bids of two or more bidders are tied, the amount of additional security deposit shall form a basis for allotment of contract.

All other terms and conditions as laid down in detailed NIT issued vide this office No. 638-70/GMS/SFC/Bij dated: 22/06/2013 shall remain in force.
