Rate offered in %age of the norm rate shall not be accepted. Timber being a perishable commodity is susceptible to deterioration if it is not extracted in a timely manner. 10. As soon as the acceptance of the tender is communicated in the shape of Sanction to the successful tenderer the contract shall be complete and binding on him. A formal deed incorporating the terms of the contract will be executed by the successful tenderer within 7 days. Failure to execute such a formal deed shall not, however, prevent the contract from being enforced against him. Any loss sustained by the Corporation as a result of retendering the costs shall be recovered from him.
11. The successful tenderer shall execute the agreement with the Divisional Manager, P.P. West Budgam within 7 (seven) days from the date of issuance of sanction, the work order shall be issued simultaneously. the contractor has backed out and his allotment shall be liable to be cancelled and Earnest Money Deposit (EMD) and the additional EMD, if any, shall be forfeited in favour of the J&K State Forest Corporation. In that eventuality SFC shall be at liberty to take any appropriate action for getting the work done in the interest of SFC at the risk and cost of the contractor.

12. Once the contract is sanctioned and the agreement executed by the successful tenderer with the SFC, the rates, terms and conditions will be binding on the contractor. No plea for change on any account whatsoever shall be entertained.
13. The Successful tenderer shall not start execution of work in the compartment unless work order is issued in his favour by the Divisional Manager P.P. West. Any Contractor starting the work in anticipation of said settlement shall be black listed and debarred from taking up any work in the Corporation and shall also be liable for punishment under the Forest Act.
14. Successful contractor shall have to adhere to the time schedule fixed for the completion of each activity shown against each compartment as per the Annexure to the NIT/Work Order/Agreement. In case the successful Contractor fails to execute or complete the work according to the time schedule fixed in the Agreement/work order, the additional security deposit mentioned in the clause (8) above shall be summarily forfeited. This forfeiture shall be in addition to the penalty prescribed in the NIT/Agreement. Any delay or deviation from the time schedule fixed shall attract action under penalty clauses of this NIT/Agreement.
15. Extension in the working period shall not be claimed as a matter of right. The extension however may be considered in case the Contractor is not able to complete the work due to the circumstances beyond his control. The application in such case shall be made immediately to the undersigned or Divisional Manager, P.P. West, declaring all the reason of not fulfilling the contractual obligations in time.
16. In case the performance of the contractor at any stage is not found satisfactory, the Corporation will be at the liberty to make alternate arrangement at the risk and cost of the contractor.
