8. Intending tenderers shall quote lump sum rates per cft .for stocks duly delivered at SFC Sale Depot, predetermined delivery point/final destination as shown in the Annexure to NIT. **Rate offered in %age of the norm rate shall not be accepted.** Timber being a perishable commodity is susceptible to deterioration if it is

not extracted in a timely manner. Therefore, any delay in the extraction/delivery of timber stocks by the contractor after issuance of work order, results in direct financial loss to SFC and to the state exchequer. As such for timely delivery of stocks, the rate(s) offered by the Tenderer(s) have to be reasonable and workable. Therefore, if the rate(s) offered by a contractor are less than the approved norm rates the tenderer shall have to deposit additional Security/EMD deposit which will be over and above the EMD amount stipulated in Clause – 2(a) in the shape of CDR/FDR as per the below given ratio:-

#	Offered rate range below the approved norms	Additional Security/EMD Deposit in the shape of CDR/FDR

1	Rate offered less by 5% of the approved norms	Nil
2	5.01% to 10%	At least 3% of contract value.
3	10.01 to 15%	At least 10% of contract value.
4	15.01 to 20%	At least 15% of contract value.

The bidders are at liberty to enclose additional security deposit higher than the limit indicated in the column 2 of the table above. In case the bids of two or more bidders are tied, the amount of additional security deposit shall form a basis for allotment of contract.

9. The rates offered by the tenderers even if lowest, shall not be binding on the Corporation and it shall be subject to rejection in case such rates are not found reasonable or his past performance in the already contract has not been upto mark. No Contractor shall, therefore, start work unless the rates are settled and work order is issued.

10. As soon as the acceptance of the tender is communicated in the shape of Sanction to the successful tenderer the contract shall be complete and binding on him. A formal agreement incorporating the terms of the contract will be executed by the successful tenderer within 7 days. Failure to execute such a formal deed shall not, however, prevent the contract from being enforced against him. Any loss sustained by the Corporation as a result of retendering the costs shall be recovered from him.

11. The successful tenderer shall execute the agreement with this office within 7 (seven) days from the date of issuance of sanction. The Work Order shall be issued simultaneously. The successful tenderer shall start work within 7 days of issuance of Work Order and in case he does not start work within the prescribed period, it shall be presumed that the contractor has backed out and his allotment shall be liable to be cancelled and Earnest Money Deposit (EMD) and the bank guarantee, if any, forfeited in favour of the J&K State Forest Corporation. In that eventuality SFC shall be at liberty to take any appropriate action for getting the work done in the interest of SFC at the risk and cost of the contractor.

12. Once the contract is sanctioned and the agreement executed by the successful tenderer with the SFC, the rates, terms and conditions will be binding on the contractor. No plea for change on any account whatsoever shall be entertained.

13. The Successful tenderer shall not start execution of work in the compartment unless work order is issued in his favour by the undersigned. 14. Successful contractor shall have to adhere to the time schedule fixed for the completion of each activity shown against each compartment as per the Annexure to the NIT/Sanction/ Agreement /Work Order/. In case the successful contractor fails to execute or complete the work according to the time schedule fixed in the Agreement/Work Order, the additional Security Deposit mentioned in Clause(8) above shall be summarily forfeited. This forfeiture shall be in addition to the penalties prescribed in the NIT/Agreement. Any delay or deviation from the time schedule fixed, shall attract action under penalty clauses of this NIT/Agreement.

15. Extension in the working period shall not be claimed as a matter of right, the extension, however, may be considered in case the contractor is not able to complete the work due to the circumstances beyond his control. The application in such case shall be made immediately to the office undersigned with a copy to General Manager South and Managing Director SFC, declaring all the reason of not fulfilling the contractual obligations in time.

16. In case the performance of the contractor at any stage is not found satisfactory, the Corporation will be at liberty to make alternate arrangement at the risk and cost of the contractor.
