9. Instructions to Bidders regarding e-tendering process.

a. To participate in bidding process, contractors require DSC (Digital Signature Certificate) as per Information Technology Act-2000. This certificate is required for digitally signing the bid. Contractors can get above mentioned digital certificate from any approved vendor. The Contractors, who already possess valid DSC need not procure new Digital Signature Certificate.

b. The contractors have to submit their bids online in electronic format with Digital Signature. The bids cannot be

- uploaded without Digital Signature. No Proposal will be accepted in physical form.
- c. Bids will be opened online as per time schedule mentioned in Clause – 4 & 7.
 - d. Before submission of online bids, contractors must ensure that scanned copies of all the necessary documents have been uploaded with the bid.
 - e. The J&K Forest Development Corporation will not be responsible for delay in online submission of bids whatsoever reasons may be.
 - f. All the details of information required for bid must be filled and then submitted online.
 - g. At the time of uploading of tenders the contractors should be in possession of the scanned copies of all the documents i.e. Earnest Money Deposit and other relevant documents required to be submitted as specified in the tender documents, which he/she shall accordingly upload. The original instruments in respect of EMD and other relevant documents shall be submitted by the contractor who is declared L-1 to the Tender Inviting Authority within two working days after the evaluation of the financial bid.
 - h. In case any discrepancy is noticed between the tender documents submitted online (scanned copies) and hard copies (in original) thereof, the bid shall not be accepted and the bidder shall be liable to penalties as per J&K FDC Registration of Contractors & their Conduct, Regulations, 2014.
- 10.**The bids shall be exclusive of Goods and Services Tax (GST) which shall be paid to the contractor on rates applicable at the time of making payment.

11. The guidelines for submission of bid online can be downloaded from the website <http://jktenders.gov.in>.

12. Intending bidders shall quote **lump sum rates per cft** for stocks duly delivered at J&K Forest Development Corporation Sale Depot/Predetermined Delivery Point/Final Destination as shown in the Annexure to NIT. **Rate offered as percentage of the norm rate shall not be accepted.** Timber is a valuable commodity and is susceptible to deterioration if not extracted and transported in a professional and timely manner. Poor workmanship or delay in the extraction/delivery of timber stocks by the contractor after issuance of work order, results in financial loss to the Corporation and to the state exchequer. Therefore, for timely delivery of stocks, the rate(s) offered by the Bidder(s) must be reasonable and workable (see clause 12(c) below).

(a): The bidder shall be required to offer the rate(s) in terms of rupees and paisa only. Fraction of one paisa, if any, shall be ignored.

(b): “Negotiations with bidders after bid opening shall not be entertained in general. However, in case the lowest offer for a particular coupe is above the norm rate notified in the NIT, negotiation may be resorted to only with the lowest bidder in exceptional circumstances, vide GFR-2017, Chapter-06 clause (XIV)” read with corresponding provisions in manual for procurement of works/services.

(c) Consideration of Abnormally Low Bids: An Abnormally Low Bid is one in which the bid price, in combination with other elements of the Bid, appears so low that it raises material concerns as to the capability of the Bidder to perform the contract at the offered price. The Tender Inviting Authority/J&K Forest Development Corporation may in such cases seek written clarifications from the Bidder, including detailed price analysis of its Bid price in relation to scope,

schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document. After evaluating the price analysis, if the Tender Inviting Authority/ J&K Forest Development Corporation determine that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Tender Inviting Authority/J&K Forest Corporation may reject the bid proposal.

As a safeguard, the bidder may be required to deposit **Additional Performance Guarantee** in the shape of **CDR only**, pledged to the Tender Inviting Authority, for an amount as deemed suitable by the Tender Inviting Authority, which shall be over and above the EMD and Performance Guarantee.

13. GENERAL INSTRUCTIONS TO CONTRACTOR

- 13.1. **Rights of the J&K Forest Development Corporation.**
The accepting authority reserves the right to accept or reject any or all the tender(s), before or after their opening, without assigning reasons for any such action.
- 13.2. **Scope of Bid**
 - 13.2.1. The General Manager as a representative of the **Managing Director of Jammu & Kashmir Forest Development Corporation** invites bids for execution of various Timber logging operations viz. Extraction, Off road transportation and Road transportation activities in various compartments (as described in these documents and referred to as “the works”). The name of work and prescribed quantity of the work(s) is provided in the appended Annexure-I to NIT. The contractors may submit bids for any or all of the works detailed in the table given in the Notice Inviting Tender. Bid for each work shall be submitted separately along with the documents as required.

13.2.2. The successful Contractor shall be expected to complete the work(s) by or before the date of completion as specified in the NIT / Work Order.

13.2.3. The terms “Bid” and “Tender” and their derivatives i.e. contractor, bid/tender, bidding/tendering etc. appearing in the tender documents are correlated.

- vii) **CDR / FDR @ 2% of the advertised cost as specified in the Annexure, or more, from any Nationalized/ Scheduled Bank pledged to General Manager, Extraction East Circle, J&K Forest Development Corporation, Doda issued by the bank only after the date of issuance of the relevant e-Nit (see clause 18.1).**

The contractors ,even if they possess the above qualifying criteria, are subject to be disqualified if they have a record of poor performance such as abandoning the works, defaulting on terms and conditions of the contract, inordinate delays in completion, history of litigation, or financial failures etc.

13.4. One Bid Per Bidder.

Each Bidder shall submit only **one Bid for one work.**

13.5. Cost of Bidding

The Contractor shall bear all costs associated with the preparation and submission of his Bid, and the Employer shall, in no case be responsible or liable for those costs.

13.6. Site Visit

The Contractor, at his/her own cost, responsibility and risk, is advised to visit, examine and familiarize himself with the quality and status of marking and its surroundings, topography and area of work etc. and obtain all information that may be necessary for preparing the Bid and entering into a contract for executing the works of lumbering operations as defined in the NIT. The cost of visiting the site shall be at the Contractor's own expense. He/she may contact the General Manager, **East Circle**/Divisional Manager Extraction concerned, J&K Forest Development Corporation for any guidance relating to site visit. Moreover the quantum of work as indicated in the Annexure to this NIT may increase or decrease to some extent depending upon the actual out-turn from the markings taken over by the J&K Forest Development Corporation and the contractor shall not have any claim, whatsoever on this account as well.

The contractor who has submitted the tender/bid is deemed to have satisfied himself/herself of the lumbering operations involved in the compartment(s) by his/her actual inspection of the forests and the area of the work. Although J&K Forest Development Corporation has worked out various operations involved as are mentioned in the Estimate Sheet, the tender shall take into account all conditions liable to be encountered during execution of the said work.

13.7. In case the contractor plans to change the mode of any activity /activities or its magnitude to his/her convenience, a fresh Project Report based on changed mode of activities/activity shall be framed and in case the rate worked out on the basis of the revised activities is less than the already sanctioned rate, the contractor shall be allowed the revised rate as such.

However in case the revised rate works out to more than the already sanctioned rate, the contractor shall be paid on original sanctioned rate and no additional payment shall be made on this account.

- 13.8. The Successful Contractor, if required, shall have to Extract & Transport projected quantity of **Firewood** with respect to particular compartment up to final destination, for which Forest Corporation norms in vogue will be applicable.

21.2. The Employer may extend the deadline for submission of bids by issuing an amendment, in which case all rights and obligations of the Employer and the contractors, previously subject to the original deadline, will then be subject to the new deadline.

22. **BID OPENING AND EVALUATION**

22.1. **Bid Opening.**

The Employer will open the bids received in the presence of the contractor or his/their representative who choose to attend at the scheduled time, date and place. In the event of the specified date for the opening of bid being declared a holiday for the Employer, the Bids will be opened at the scheduled time and location on the next working day. In case of some un-foreseen circumstances, the date of opening of the bids as specified shall be the next working day, or any other day, notified separately.

At the time of opening of 'Technical Bids', all the documents uploaded by each individual/contractor shall be downloaded and put to technical evaluation. The bids which shall not qualify technically shall be rejected.

'Financial Bids' of only those bidders who have technically qualified will be opened. At the time of the opening of the Financial Bid, the names of those contractors who were responsive/qualified the technical bid, shall be announced and their bids shall be downloaded and put to evaluation.

22.2. Process to be Confidential.

Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to contractors or any other persons not officially concerned with such process until the award to the successful Contractor has been announced. Any attempt by a Contractor to influence the Employer's processing of bids or award decisions may result in the rejection of his Bid.

22.3 Clarification of Bids and Contacting the Employer.

No Contractor shall contact the Employer for any matter relating to its bid till the contract is awarded.

Any attempt by the Contractor to influence the Employer's bid evaluation, bid comparison or contract award decision, may result in the rejection of his bid.

22.4 Examination of Bids and Determination of Responsiveness

During the detailed evaluation of "Technical Bids", the Employer will determine whether each Bid,

- a) meets the eligibility criteria as defined in clause 13.3 and 13.4;
- a) has been properly signed;
- b) is accompanied by the required securities; and
- c) is substantially responsive to the requirements of the bidding documents.

A 'Substantially Responsive Bid' is one which conforms to all the terms, conditions, and specifications of the bidding documents without material deviation or reservation. A material deviation or reservation is one,

- a) which is inconsistent with the bidding documents;
- b) which affects in any substantial way, the employer's rights or the Contractor's obligations under the Contract; or
- c) whose rectification would affect unfairly the competitive position of other contractors presenting substantially responsive bids.

If a Bid is not substantially responsive, it will be rejected by the employer, and may not subsequently be made responsive by corrections or withdrawal of the nonconforming deviations or reservations.

23. GENERAL CONDITIONS.

23.1. The rates offered by the bidders even if lowest, shall not be binding on the Corporation and it shall be subject to rejection in case such rates are not found reasonable or his past performance in the already allotted contracts has not been upto mark. No Contractor shall, therefore, start work unless the agreement has been executed and work order is issued.

23.2. The successful Bidder shall be required to deposit **Performance Guarantee** amount to the tune of 3% of advertised contract value in the shape of CDR ***pledged to General Manager (Ext) J&K FDCL East Circle Doda*** which will be over and above the EMD ***before issuance of the sanction.*** The Earnest Money Deposit and Performance Guarantee of the successful Contractor will be released along with final 10 percent work-done dues after successful completion of the work to be certified by the concerned Divisional Manager Extraction, J&K Forest Development Corporation. However, in case the contractor has completed all operations including transportation upto transit depot within stipulated time period and only transportation depot

onwards remains, the GM concerned may release the performance guarantee/additional performance guarantee in favour of the contractor after satisfying himself about the progress of work.

- 23.3. As soon as the acceptance of the tender is communicated in the shape of **Sanction** to the successful bidder, the contract shall come into force and all terms and condition of the NIT shall be binding upon him. A formal Agreement incorporating the terms of the contract will be executed by the successful bidder within 7 days. Failure to execute such a formal deed shall not, however, prevent the contract from being enforced against him. Any loss sustained by the Corporation as a result of retendering, the costs shall be recovered from his dues / deposits with the J&K Forest Development Corporation.
- 23.4. The successful bidder shall execute the **Agreement** with within 7 (seven) days from the date of issuance of sanction. The **Work Order** shall be issued simultaneously. The successful bidder shall start work within 7 days of issuance of Work Order. Failure of the firm/contractor to start the work within the stipulated time shall construe breach of contract and in case he does not start work within the prescribed period, a notice shall be sent through registered post or through special messenger on the firm/contractor to start the work immediately. In case the contractor/firm fails to comply to the notice(s), it shall be presumed that the contractor has backed out and his allotment shall be liable to be cancelled and Earnest Money Deposit (EMD) and Performance Guarantee shall be forfeited in favour of the J&K Forest Development Corporation. In that eventuality J&K Forest Development Corporation shall be at liberty to take any appropriate action for getting the work done in the interest of Forest Corporation.
- 23.5. Once the contract is sanctioned and the agreement executed by the successful contractor with the J&K Forest Development Corporation, the rates, terms and conditions as applicable will be binding on the contractor.

- 23.6. The Successful Contractor shall not start execution of work in the compartment unless work order is issued in his favour by the concerned DM. Any Contractor starting the work in anticipation of said allotment shall be black listed and debarred from taking up any work in the Corporation and shall also be liable for punishment under relevant forest laws.
- 23.7. Successful Contractor shall have to adhere to the time schedule fixed for the completion of each activity shown against each compartment as per the Annexure to the NIT/Sanction/Agreement /Work Order/. In case the successful contractor fails to execute or complete the work according to the time schedule fixed in the Agreement/Work Order, the Earnest Money Deposit as well as the Performance Guarantee mentioned in Clause 13.3 and 23.2 above shall be liable to be forfeited. This forfeiture shall be in addition to the penalties as prescribed in the NIT/Agreement.
- 23.8. Extension in the Working Period shall not be claimed as a matter of right. Extension, however, may be considered by the Managing Director, in case the contractor is not able to complete the work due to the circumstances beyond his control. The application in such case shall be made immediately to the office of the DM concerned with a copy to General Manager concerned and Managing Director, J&K Forest Development Corporation, declaring all the reason of not fulfilling the contractual obligations in time.
- 23.9. In case the Performance of the Contractor at any stage of lumbering operation including road transportation is not found satisfactory, the Corporation will be at liberty to make alternate arrangement at the risk and cost of the contractor.
- 23.10 Successful Contractor shall be responsible for the Safe Delivery of the extracted stocks at the pre-determined destination and shall not be entitled to wages/compensation for the losses that

may occur for whatsoever reasons. However, if on the directions of GM/DM concerned the stocks are delivered to other destination(s) as well, payment shall be made for the actual distance involved by applying the sanctioned rates proportionately.

23.11 As the quality of timber and workmanship are of prime importance for extracting projected quantity of standard sized timber, the contractor shall have to employ Skilled Labours for work on each activity and shall use Standard Tools and Equipments required for execution of work at his own cost.

23.12 Misconduct/Misbehavior during the tender opening process with any officer/official shall be dealt under rules.

23.13 The Contractor will abide by all prevailing Forest Laws and other Laws governing the contract and will be personally responsible for any unlawful act during the period of contract.

23.14 The Safety of all stocks and any Material/Machinery supplied by J&K Forest Development Corporation shall be the responsibility of Contractor/Agency/Firm.

23.15 For any Dispute between the Contractor and the Corporation the jurisdiction of respective Court(s) shall be applicable.

23.16 All claims applicable under workmen's compensation Act 1948 and payment of wages Act, 1936 shall be borne by the contractor. Liability if any on account of such payments shall be recovered from the dues of the contractor.

23.17 That the contractor shall be solely responsible for payment of all dues and other benefits, allowances to his personnel that are applicable under any Act., or Order of the Government including the minimum wages act., Employees State Insurance Act (ESI Act) or Employees Provident Fund Act (EPF Act). This office shall have no liability whatsoever in this regard and the contractor shall indemnify this office

against any/all claims which may arise under the provisions of various Acts and /or Government Orders etc

- 24.** The Payments on the basis of **Forest Measurement (FMM)** shall be made only for hand-sawing work for the stocks having side wane called 'Passels' whereas for all other activities, it shall be made on actual measurement i.e. **Depot Measurement (DMM)**. The payments shall be released only after receipt of passing lists duly authenticated by the Divisional Manager and recommended by the General Manager concerned.
- 25. Payment of Standard Sized Timber.**

- (a) The term "Standard Size" refers to the timber having the following specification:

#	Length in feet	Breadth in inches	Width in inches	Remarks
1.	10/12	10	5	-
2.	10/12	10	5	Passel
